

DANIEL VENTURA EGEA

UX/UI Designer

+491736144647 | daniventurae@gmail.com | Berlin, Germany
www.daniventura.de | www.linkedin.com/in/daniel-ventura-egea/

***Creative designer** with extensive experience in the **tourism, social** and **music** industries. Skilled in the tools and methodologies needed to enable the development of **human-centred** services and products that create positive user experiences. I enjoy creative exploration to address complex challenges in open, supportive, and social-impact driven environments.*
